There's No Business Like Show Business All]

There's no business like show business like no business I know everything about it is appealing everything the traffic will allow nowhere could you get that happy feeling when you are stealing that extra bow there's no people like show people they smile when they are low

even with a turkey that you know will fold You may be stranded out in the cold Still you wouldn't trade it for a sack o' gold Let's go on with the show Let's go on with the show! To Old Broadway.....
