

Now you can enjoy **Quaver's Marvelous World of Music** at home!

CVES Families, **Quaver** is our new online district Elementary Music Curriculum. There are many fun, educational music games and activities your child can enjoy at home. And it's free!

1. Go to www.quavermusic.com

2. Click on "Student Interactivities" in the bottom left corner

3. Type in this "Class Code": **MRPFLM** Choose a category (**Recorder, Music Theory, Instruments and Knowledge, Music Creation, Movement, Playing Music, and Quaver Books**) and have fun learning! There are SO many interactive choices!

5. You may also choose to create an account and make a QuaverName and Password so you can explore other options on the site, such as the Music Room, Music Store which has the studio (writing music), lab (science), jukebox, and time machine, as well as travel the Metro Station to learn about any music genre/style that interests you.

I hope you get a chance to try it out! Play on your computer or tablet. Parents, you can contact me with any questions you may have. As always, thank you for encouraging music education in your children's lives!
